Samuel Christy

schristy189@gmail.com (402)-917-8532

I wish to obtain a job in a challenging professional environment in which I can utilize my education and skills for a position that will allow me to further expand my knowledge in my field of study.

Iowa State University - Bachelor of Science in Electrical Engineering	Graduated December 201
was a state of the	Gradatea December 2017
ROJECTS	
SI Attendance Senior Design Project	August 2016-May 201
Binary star orbit simulator for the physics department at Iowa State	September 201
> 4B5B digital encoder/decoder integrated circuit design via Cadence CAD software	May 201
Assembly to machine language compiler	February 201
> 3D model renderer with OpenGL	July 20
ATmega based dotmatrix LED display	September 201
OMPETITIONS	
➢ 2 nd out of 44 teams in the 2017 Senior Design Projects	May 201
2 nd place National Cyber Defense Competition	February 201
1 st place Iowa State Cyber Defense Competition	February 20
ORK EXPERIENCE	
> SI Attendance Management Internship	August 2017-prese
 SI Attendance Management Internship Investigate and resolve issues in the Laravel project 	August 2017-prese
 SI Attendance Management Internship Investigate and resolve issues in the Laravel project Coordinate with team members to identify potential issues 	August 2017-prese
 SI Attendance Management Internship Investigate and resolve issues in the Laravel project Coordinate with team members to identify potential issues Collaborate with SI leaders to identify potential additions to the project 	0 1
 SI Attendance Management Internship Investigate and resolve issues in the Laravel project Coordinate with team members to identify potential issues Collaborate with SI leaders to identify potential additions to the project Data Entry for the Iowa State Dept. of Education 	August 2017-prese April 2016-August 20
 SI Attendance Management Internship Investigate and resolve issues in the Laravel project Coordinate with team members to identify potential issues Collaborate with SI leaders to identify potential additions to the project Data Entry for the Iowa State Dept. of Education Evaluate teacher grading accuracy and monitor for score discrepancies 	
 SI Attendance Management Internship Investigate and resolve issues in the Laravel project Coordinate with team members to identify potential issues Collaborate with SI leaders to identify potential additions to the project Data Entry for the Iowa State Dept. of Education 	
 SI Attendance Management Internship Investigate and resolve issues in the Laravel project Coordinate with team members to identify potential issues Collaborate with SI leaders to identify potential additions to the project Data Entry for the Iowa State Dept. of Education Evaluate teacher grading accuracy and monitor for score discrepancies Organize prior years' data and make it available for department analysis Enter teacher-graded exam scores into speadsheets Line Cook for Pepperjax Bar and Grill 	April 2016-August 20
 SI Attendance Management Internship Investigate and resolve issues in the Laravel project Coordinate with team members to identify potential issues Collaborate with SI leaders to identify potential additions to the project Data Entry for the Iowa State Dept. of Education Evaluate teacher grading accuracy and monitor for score discrepancies Organize prior years' data and make it available for department analysis Enter teacher-graded exam scores into speadsheets Line Cook for Pepperjax Bar and Grill Prepare all food items in fast-paced restaurant environment including lunch and dinner services 	April 2016-August 20
 SI Attendance Management Internship Investigate and resolve issues in the Laravel project Coordinate with team members to identify potential issues Collaborate with SI leaders to identify potential additions to the project Data Entry for the Iowa State Dept. of Education Evaluate teacher grading accuracy and monitor for score discrepancies Organize prior years' data and make it available for department analysis Enter teacher-graded exam scores into speadsheets Line Cook for Pepperjax Bar and Grill Prepare all food items in fast-paced restaurant environment including lunch and dinner services Follow standardized recipes to assure highest quality of food served 	April 2016-August 20

SKILLS

- Circuit Analysis
- ➤ Reverse Engineering (GDB, Radare2, Ptrace)
- ➤ AutoCAD/SolidWorks/FreeCAD
- ➤ PLC/Ladder Logic Programming
- ➤ Programming (C, C++, Assembly, Python, Java, MATLAB, etc...)
- > Amateur Radio
- Computer Aided Design
- Linux System Administration
- Agile Project Management
- ➤ HMI/SCADA programming
- Microsoft Office/LibreOffice
- Deep Learning Neural Networks
- Mercurial/Git/CVS
